Seeking Healthy Adult Lower Limb Amputee and Non-Amputee Volunteers

to be a part of the research study that will benefit lower limb amputees

Who:

Non-Amputees: 18-90 years

Amputees: 18-90 years and ready to be fitted/refitted with prosthetic limb

Why: To study the effects of prosthetic fitting on gait and balance

Duration:

Non-Amputees: One 2- Hour session

Amputees: One or more sessions as needed

Where:

Non-Amputees: Adaptive Neural Systems Lab, Engineering Center, FIU

Amputees: Garrison's Prosthetic Services located at 17184 NE 19th Avenue, North Miami Beach, FL 33162 or 1531 E. Atlantic Blvd., Pompano Beach, FL 33060 or Ortho Pro Associates, Inc. 9150 SW 87th Ave., Suite B-100, Miami, FL 33176.
