The Osteoarthritis Study needs **YOU!**

Volunteer to be part of research study for benefit of those with knee Osteoarthritis (OA)
Just 1 session for 2 hours required

Criteria: Adults with mild or severe OA of the knee; healthy adults without OA

Age: 21 to 35 years, 50 to 65 years

When: Please call or email to schedule a session

Where: Human Performance Lab, 404, ACH- 3, MM campus, FIU

Why: Help us to discover new knowledge about OA and its effects on function

To volunteer or for more information please contact [Dr. Amy K. Starosciak](mailto:amy.starosciak@fiu.edu):

E-mail: amy.starosciak@fiu.edu or call: 305-348-4781
